Course Familiarization and Warm-Ups Handlers in all classes are permitted to walk the course without a dog prior to the start of the class as directed by the judge to plan their strategy. Judges briefing will outline the course and answer handler questions. A warm up jump will be provided for each ring.

Measuring and Height Card Information Effective January 1, 2010, exhibitors are no longer required to provide proof to Trial Secretaries that their dog has a valid jump height card as part of the check-in process. Furthermore, **this change eliminates the need for a copy of the jump height card to be submitted with an entry form.** When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the **Dogs To Be Measured List.**

Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the **Judge of Record** PRIOR to running in their class and this measurement will be valid for that weekend of trials only. The exception to this requirement is a dog entered in the 24" or 26" height division. However, if a **Volunteer Measuring Official (VMO)** or an **Agility Field Rep** is present; **ALL** dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. This does not preclude having the dog wicketed by the Judge of Record if the VMO or Rep is not available to measure the dog **before** its first run of the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores.

Height Divisions Owners are responsible for entering the proper height divisions. Judges reserve the right to measure dogs without a valid height card.

Dogs **may not** enter both **Regular** and **Preferred** classes for the same set of trials for the weekend.

Regular	Preferred	
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers
26"	NA	Dogs may be entered at this height at their owners' discretion

Handlers may opt to run in a higher height division but not in a division lower than their proper height. Dogs that run in a division lower than their proper height will be eliminated. Preferred dogs must run at their measured height.

Ringside Exhibitors are responsible for being at ringside when it is their turn to run. Gate Stewards are only following directions to keep the trial moving smoothly for all. Please treat all volunteers working this trial for you with respect.
